

**Dear Brethren,**

The Metropolis of Boston Camp embraces children not only from New England, but from throughout the world. Our dedicated staff of counselors, priests and lay leaders mentor our young people so that they may mature both emotionally and spiritually. The multi-faceted program includes sports activities, swimming, arts and crafts, and dancing. Additionally and most importantly, our children have the opportunity to learn more about their Greek Orthodox Faith and Cultural Heritage. We believe our children are our greatest treasure and most important responsibility. I encourage you to send your children to the Metropolis of Boston Camp for a life-changing experience.

**METROPOLIS OF BOSTON CAMP**

MBC's mission is to gather Orthodox youth (ages 8-18) from the Metropolis and beyond to be a part of an unforgettable experience. Children will make lifelong friends in this thriving Orthodox community while having fun and growing closer to Christ. Campers strengthen their faith and establish relationships based on the camp pillars: Trust, Honesty, Respect, Forgiveness, Openness, and LOVE.

MBC is certified by the *American Camp Association* and is located 80 miles north of Boston in Contoocook New Hampshire. MBC has six one-week summer sessions, along with several winter and other year-round programs.

"Every week the staff creates new and exciting activities; in the 11 years I have attended camp there is always something new to experience."

-Vinnie Patsios, Age 17

"Camp is the place where I met my best friends, they are my family"  
- Kathryn Christo, Age 16

"I love everything about camp; campfires are my favorite activity."  
- Stathi Tselengidis, Age 9

**The STAFF**

The MBC staff is comprised of numerous young Orthodox adults who prepare for camp year round. Many have been campers themselves and return to minister to the children offering their experience, love, talents and commitment to the program.

"The camp program is a most powerful way our church teaches the Gospel to our youth. It is not through just the sessions and activities, but through the entire camp program."
